**Restoring and rebuilding of the Camp and Theological School Building in St. Sava Monastery:**

The St. Sava Monastery is calling on all Serbian people throughout this country to support financially the building project. We embarked on the project couple years ago, and after securing all the permits, blue prints and other necessary requirements, the first appeal was made to all our Midwest Diocesan members and parishioners. If you haven't responded to appeal would you please think again and do your part. Make your donation, as much as you can. Every little helps.

**Church Sunday School:** We appeal to the parents to do their best to bring their child/children to our Church Sunday School. We do not have as many young ones as we used to have. It depends mostly on the parents. With a little more efforts we'll have better attendance

**Church attendance:** Do we really make every effort to attend Sunday church services on the regular basis. Few do, but majority may lack the will to make it. Strong faith is a moving force. We must pray for such a faith.

**Our Sympathy to the family of +David Damjanovic, from Griffith, Indiana, on his passing away:** +David Damjanovic, age 96 passed away last week in Griffith. Somehow he obtained visa and came to this country in 1970 and settled in East Chicago, later in Griffith. He was humble and very religious man, a real gentleman, respected by everyone who knew him.
